

# DINOFERT

## RANGE OF PREMIUM QUALITY ORGANIC & ORGANIC BASED SLOW RELEASE FERTILISERS

### ORGANIC PLANT FOOD 20kg

**BENEFITS/FEATURES:**

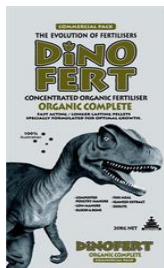

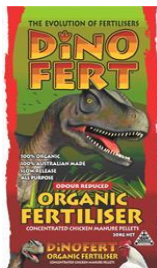

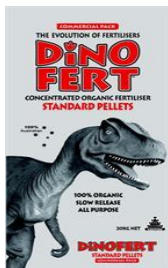

Slowly releases a wide range of nutrients. Organic Complete benefits from additional Blood & Bone, fishmeal and seaweed. They will enrich the soil and improve plant growth. All are pelletised and easy to apply.

**USE:**

Great for everything in the garden, even natives.

**WHEN:**

Apply every 6 weeks while plants are actively growing to boost health and growth.

### ROSES 10kg

This fertiliser will enrich your soil whilst also increasing resistance against disease attacks

A complete fertiliser for newly planted roses  
It will also encourage stronger, healthier flowers.

### TOMATO, HERB & VEG 10kg

All-purpose fertiliser with an organic base that is boosted with additional nutrient goodness to improve flavour and yield of your home grown produce.

### ORGANIC LAWN FOOD 20kg

**BENEFITS/FEATURES:**

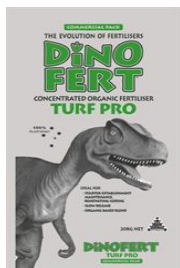

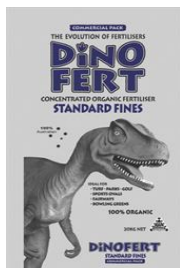

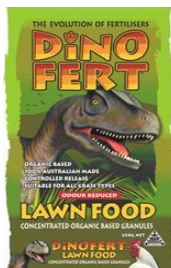

Fine organic granules filter through grass to the soil where they promote healthy growth and beneficial soil activity..

**USE:**

Can be used on all lawn types.

**WHEN:**

Put down in early spring and early autumn or before laying new lawns.

### CITRUS 10kg

An organic fertiliser that also enriches the soil while feeding your fruit and citrus plants. It also increases resistance to disease attack  
A fertiliser that is also complete which stimulates **BIGGER** and **JUICIER** FRUIT!
